

INTIMIDATOR™ 12XPC

12" Capacity Hand-Fed Chipper

Tree care professionals, municipalities and rental companies seeking a **compact, yet powerful** 12-inch capacity drum chipper turn to the Intimidator 12XPC. Weighing approximately 4,900 lbs. and only 16 feet long, this unit is **extremely towable and maneuverable**, and the powerful Bandit drum features four knives to quickly chip through large limbs and branches. And Bandit's solid construction will help ensure the 12XPC will stand up to the stress of daily use and outlast all other 12" capacity drum chippers on the market.

12XPC

PERFORMANCE OF A LIFETIME

Bandit chippers have proven over time to be the best economical decision you can make for a long-term investment in a brush chipper. Like all Bandit models, the 12XPC is engineered for maximum performance and aimed at increasing operator productivity over time.

PORTABLE YET PRODUCTIVE

Bandit's unique slide box feed system and powerful 17" wide by 7.5" diameter dual horizontal feed rollers grab, crush and compress material, while guiding it to the drum. Bandit drum chippers are known for their ability to effectively process a multitude of materials from stringy, fibrous tree species to branchy hardwoods. The compact stature of the 12XPC also allows for quick maneuverability and repositioning the unit on the jobsite.

MAXIMIZE YOUR UPTIME

The most common maintenance items are easy to access on Bandit chippers, so daily maintenance is quick and simple. Bolt-in knives are easy to change through the chipper hood, and all service areas are conveniently located, including all grease points.

REDUCE YOUR FUEL COSTS

The 12XPC's drum turns at a lower RPM with greater torque, and the synchronized feed system never underfeeds or forces material against the drum. The result is a more efficiently fed chipper that reduces idle time, and translates to fuel savings up to 30 percent, gas or diesel.

Opening:	14.25" high x 17" wide	36.2 cm x 43.2 cm wide
Drum:	24" dia. x 18.75" wide	61 cm dia. x 47.6 cm wide
RPM:	Approximately 1,530 RPM	

Hitch: 2-1/2" pintle hitch

Discharge: 360° manual swivel with 12" (30.5 cm) adjustable chip deflector

Feed System: Slide box feed system with (2) 16-3/8" (41.6 cm) adjustable down pressure springs, (2) 7-1/2" diameter x 17" wide feed wheels (19.05 cm x 43.18 cm) powered by (2) 15 CID hydraulic motors

Frame: Mainframe is constructed of 1/4" x 2" x 4" tubing with a 3/8" x 3" x 6" tongue

COMMITTED TO QUALITY & PRODUCTIVITY

Since 1983, Bandit has manufactured equipment for a multitude of wood waste processing markets. The vision since the beginning, is to build quality, highly productive, easy to maintain equipment providing years of dependable service.

The commitment for quality, innovation and dedication is instilled in every employee and is one of the main reasons why Bandit became an Employee-Owned Company (ESOP) in 2018. These core values ensure each Bandit machine will leave the factory ready to exceed your expectations.

12XPC

WATCH IT RUN!

INTIMIDATOR™ 12XPC FEATURES

- **Rope/Line Shear Device (standard)**
Provides an improved chance that rope or lines inadvertently entering the chipper may be cut
- **Last Chance Cables (standard)**
Stops/reverses the feed wheel when pulled in case of an emergency
- **Operator Safety Control Bar (standard)**
Wraps around 3 sides of the infeed chute & controls the direction of feed wheels
- **Wood Pusher Paddle (standard)**
Used to feed small wood debris into the chipper
- **Chipper Hood Pin w/Padlock (standard)**
Prevents unauthorized access to the disc or drum
- **Chipper Hood Engine Disable Plug (standard)**
Prevents engine from being started without the hood pin in place
- **Hydraulic Bottom Bump Bar (option)**
Stops feed wheels via mechanical connection when bumped, diverting hydraulic power away from the feed wheels
