

# 4-N-1 BUCKET

## FEATURES INCLUDE:

- Protected hoses
- Serrated edges in pinch area assist when using as a grapple
- Standard bolt-on edge on dozer portion
- Front bolt-on edge available
- Weld on shanks and teeth available
- Heavy duty construction
- 1 1/4" greasable pivot pins
- Pilot operated check valve to control drifting

This heavy duty 4-N-1 bucket will make a skid steer or compact track loader into a very versatile machine. Use as a grapple for moving logs or debris, pushing dirt with the blade like a dozer, digging with the bucket, and back dragging with the open bucket like a box blade. Uses two powerful cylinders and can be greased on all pivot points. Dozer blade come with standard bolt-on edge.
